

## Main Task

Put a tick or cross in the box to show whether the physical contact is acceptable.

| Contact                      | Person                    | ✓ Acceptable or <input type="checkbox"/> unacceptable <input checked="" type="checkbox"/> |
|------------------------------|---------------------------|---|
| touching your cheek          | your best friend          |   |
| a fist bump                  | your teacher              |   |
| kiss                         | a boy in year 1           |   |
| shaking hands                | your friend's parent      |   |
| lick                         | your baby brother         |   |
| a tap on your bottom         | an adult you do not know  |   |
| a hug                        | your step-dad             |   |
| a tickle                     | one of your mum's friends |   |
| a kick when playing football | a friend                  |   |
| a high five                  | your granddad             |   |
