

Lesson 4 Money Year 4 | Activity

Name

Identify the risk associated with money and then suggest ways to reduce the risk.

Scenario	Risk	Reducing the risk
1. One day Brian came into school talking about how much money his family had. "My dad drives a Ferrari," he said. Brian also talked about how his family stayed at five-star hotels every holiday. Jack heard Brian talk about his money and started to say mean things behind his back.	_____	_____
2. Liam's older brother asked to borrow some money from his friend, Darren. Liam has been unable to pay him back. Darren is now angry and has told Liam that he doesn't trust him to be his friend any more.	_____	_____
3. Anabelle and James get pocket money from their Dad every week. James usually puts his money in his piggy bank. Anabelle doesn't need a piggy bank because the moment she gets the money she spends it straight away.	_____	_____
4. Greg was going to the cinema with his friends. He had a £10 in his pocket. Before going to the cinema Greg played in the park. When he was asked for his ticket the £10 note was not in his pocket.	_____	_____
5.	_____	_____
