

Lesson 5 Stereotyping Year 6 | Activity

Name

Main Task

Read the case study and identify the reason for the hate crime.

Case Study	Reason for hate crime
1. Amir arrived in England at the age of 15 as a refugee. His family had moved because war had destroyed their country. On his second day at school a group of children started calling Amir names based on his skin colour. On his third day this group started pushing and kicking Amir. This abuse continued until a bystander took footage and reported it to the headteacher.	<hr/> <hr/> <hr/>
2. One Monday afternoon Zara was walking to her holy building so that she could pray with her family. While she was walking lots of fire engines flashed past her. She turned the corner and saw flames bursting from the place of worship. Some of her neighbours were running away from the fire.	<hr/> <hr/> <hr/>
3. Jimmy had recently been adopted by Brian and Jason. His two parents picked him up from school a few weeks ago. Since then a few children had started to tease him for having two dads. At first, this abuse was in the playground but it had now spread online. Every day Jimmy woke up to jokes and teasing about his family. Last week, someone had written 'Two-dad WEIRDO!' on his pencil case.	<hr/> <hr/> <hr/>
4. Louisa attends art club and is an excellent painter. She has some friends but there are two girls in the group who always stare at her aggressively. Last night when Louisa went home these two girls followed her and started pushing her around. Louisa fell from her wheelchair and banged her head on the floor. The two girls ran away laughing.	<hr/> <hr/> <hr/>
