

# (School name) says NO to Violence

Violence harms people physically

Violence leads to consequences

Violence can affect people emotionally

Violence destroys trust

## Words of Wisdom

from our  
Let's Talk pupils

Using violence  
is the weak  
choice.

There is  
no excuse for  
violence.

Violent actions are  
caused by someone who  
does not have the skills  
to deal with the challenges  
of life.
