

# Lesson 5 Peer Pressure Year 2 | Activity

Name .....

In groups of 3 act out the following scenes.  
How does peer pressure impact each person?

1. Sophie and Laura had an argument.  
Laura comes up to you at break time.

If you are my friend  
then you will not talk  
to Sophie. Go and tell  
her that she is silly.

2. During a science lesson Ben puts Lego  
in his pocket. Then he turns to you.

I dare you to take  
some Lego. Nobody will  
notice.

3. You find two £10 notes on the floor. You are about to hand the money to  
the teacher when Sam and two of his friends stop you.

Don't give the money  
to the teacher.

We could spend the  
money on something fun.

4. Daniel hates football and much prefers reading. His friends love football.

Stop being so boring!  
Come and play football  
with us.

You're so weird, come on!
