

# Lesson 4 Honesty Year 4 | Activity

Name .....

Read the three scenarios. Explain how and why each child cheated.

## Scenario 1

Sam always won the long distance race and Joe always came second. Joe was annoyed that he never won and was desperate to win the shiny gold medal. Before the big race, Joe had a plan. The race track went through some woods and there was never any teachers watching in the woods. Joe's plan worked perfectly. As they ran through the woods, Joe tripped Sam up and left him in pain on the floor. Joe had finally got the gold medal!

How did Joe cheat?

## Scenario 2

Lucy hated Thursdays! She hated them because it was the day of the spelling test. It didn't matter how hard she tried, Lucy never got a higher score than 5 out of 20. She felt so embarrassed when she had to read out her score to the class. One day she decided to change all of that. She sat next to Sara- the best speller in the class- and copied her. For the first time ever, she got 20 out of 20!

## Scenario 3

Darren had to do a Science project over the summer holidays. He hated doing work outside of school. Darren much preferred playing with his friends and watching television. He decided that he would ask his cousin Ben to do it for him. Ben loved science and enjoyed doing projects. On the final day of the holiday, Ben came over and gave Darren all of the work he had done for him. The teachers were amazed at Darren's science project- they gave him a special award!
