

**Main Task**

Identify the hazard outside of the home and then explain what each person needs to do to stay safe.

Scenario	What is the hazard?	How to stay safe
Daisy's brother Leon is struggling to breathe and has a rash on his face after accidentally eating nuts.		
Jess is at a party and Becky's sister strokes her hair in a way that makes her feel uncomfortable.		
Julia is walking along a road. Her favourite bouncy ball falls out of her pocket.		
David is in the supermarket with his mum. He sees some sweets and runs over. He then looks for his mum and she is gone.		
Chloe sees a dog in the park playing with its owner. She runs over to stroke it.
