Main Task

Identify the unkind act and then try to explain why the unkindness has happened.

Scenario	What is the unkind act?	What could be the reason behind this unkind action?
1. Craig has only recently arrived in the country. In the first week at school someone says that he is not allowed to join dance club because he is a boy and doesn't speak English.		
2. Ben has been asked to present his piece of writing in assembly tomorrow. Kate walks past saying that when he gets it wrong everyone will laugh at him.		
3. Chloe has got in the habit of pushing Daniel whenever she sees him. At first, it was a bit of fun but now Daniel tries to avoid Chloe.		
4. Isla irritated Sean three times last week. In all three situations, he moved on without saying anything. Yesterday, Isla took his pencil and he screamed at her. He told her that he never wanted to speak to her again.		
5. Ian has noticed that whenever Percy is not around Jude talks a lot about him. At first, it was just the odd comment but now this gossiping happens all of the time.
